Eric Lee  
Editor-in-Chief  
ACME Reporter  
123 Business Rd.  
Business City, NY 54321

Dear Mr. Lee,

For the past 10+ years I have followed your career through news events, interviews, and web research. Your dedication to the media and your understanding of the important role journalists play in today's fast-paced information highway, coupled with your belief in the power of the press, is exemplary. In addition, I know you were a student at Columbia with John Smith, my journalism professor at Missouri State.

I have had the privilege of having my journalistic abilities on three widely different publications. When I left college, I immediately went to work for the typical small town newspaper and learned all aspects of getting the paper to the people in a timely manner. I then moved to regional manager for a media corporation composed of small to mid-size newspapers in the Midwest. In my current position, I am Chief Correspondent for one of the largest newspapers in the southwest.

I would greatly appreciate an opportunity to visit with you to get your insight and suggestions on where my skills and abilities would be of the greatest value to the journalist field, not only newspapers but other mediums as well.

The week of March 15 - 18, I will be in New York City. I'd like to visit with you and get your feedback on my writing ability, along with suggestions on where my skills would be of the greatest value from your point of view. I do have a portfolio of my work that I will have with me.

Thank you so much for your time. I will call your office to set up a convenient time. I do look forward to meeting you.

Sincerely,

Dear Mr. Jones:

Thank you so much for your hospitality during my recent visit to Oklahoma City. I enjoyed my stay very much and appreciated the opportunity to see your plant. I hope you will express my thanks to Bob Smith and Nancy Williams for the time they spent with me, and the insights they gave me.

I was particularly interested in the \_\_\_\_\_ Department. I think my background in \_\_\_\_\_ would help me fit into that work very well. I was glad to hear that you expect that area of your business to grow substantially in the next few years.

I have enclosed an itemized list and the receipts for my expenses during my time in Oklahoma City. The City Motel was a very nice place to be located.

Again, thank you for your kindness during my visit. I will look forward to hearing from you regarding my possible employment with XYZ Company.

Sincerely,
